Grace

Grace is an English schoolgirl. She goes to school every day. After the lessons she comes back home and does her homework. Then she plays with her friends. They also talk about the news of the day. They tell each other about their classmates and teachers, their likes and dislikes, books and films. She likes to listen to their stories. In the evening she helps her mother about the house or reads books.

Who is Grace? _____

What does she do after school? _____

When does she help her mother?
